

We are going to the  
Bunjil Place Gallery  
and Library.

This is Bunjil Place in Narre Warren.

Inside Bunjil Place is a Gallery and a Library.

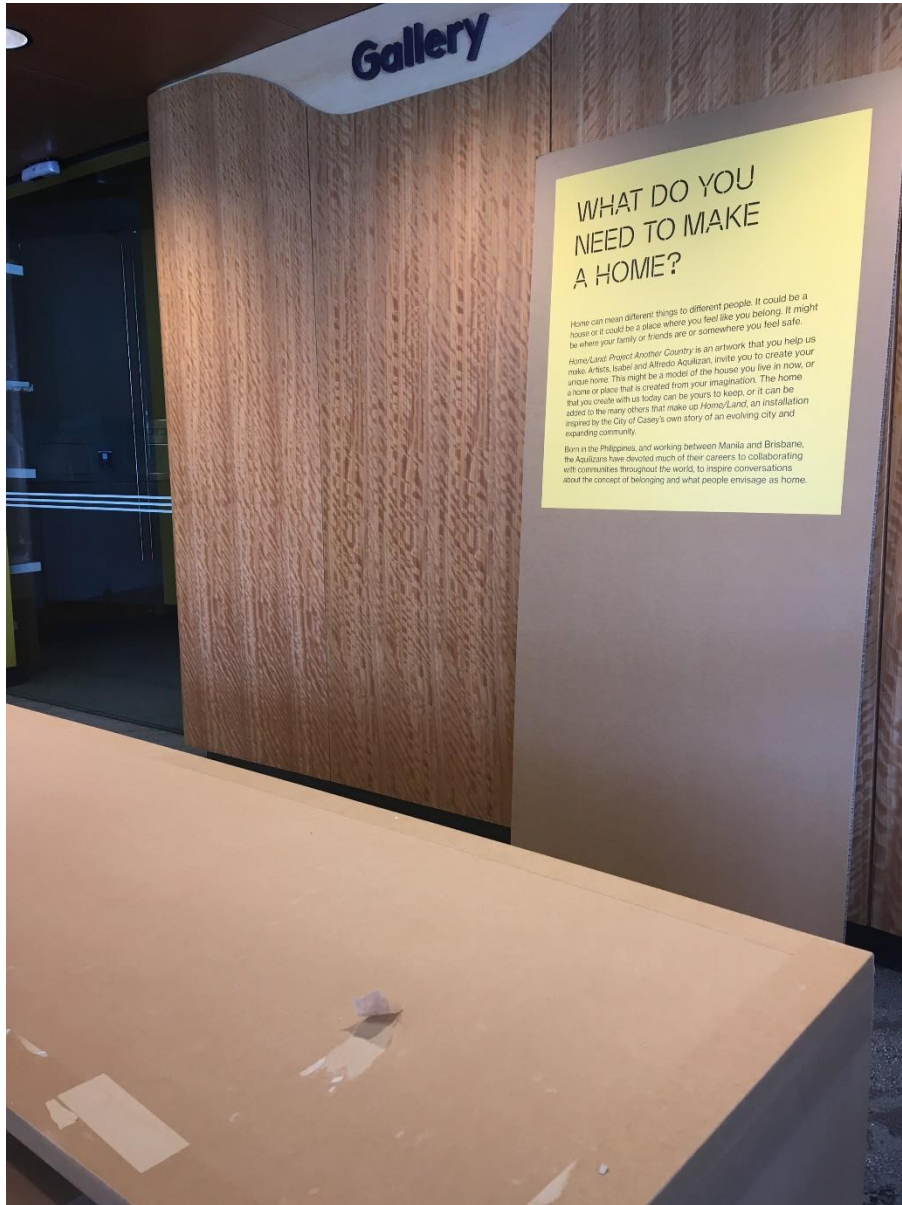

The Gallery:

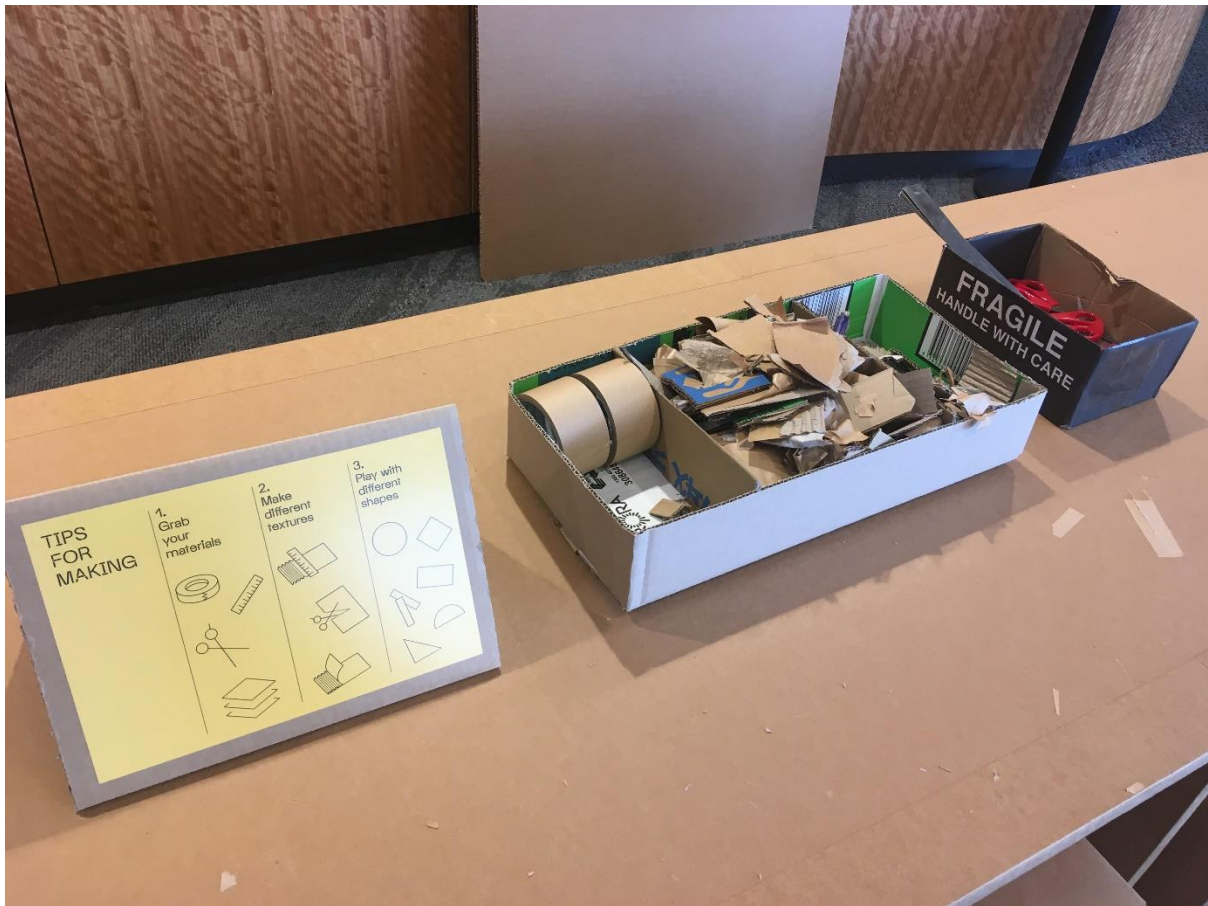

The Library:

We will see a table out front of the Gallery entrance.

We can make a little house with cardboard using cardboard, scissors, and tape.

When you are finished with your creation, you can leave it on the white shelves inside the Gallery, or take it home with you.

When we are inside the Gallery, it is important to remember the rules. We will follow the rules because it will make those events more fun for everyone.

## Gallery Rules:

Walking feet

Gallery hands

Inside voice

No food or drinks inside the Gallery

The Library is next to the Gallery.

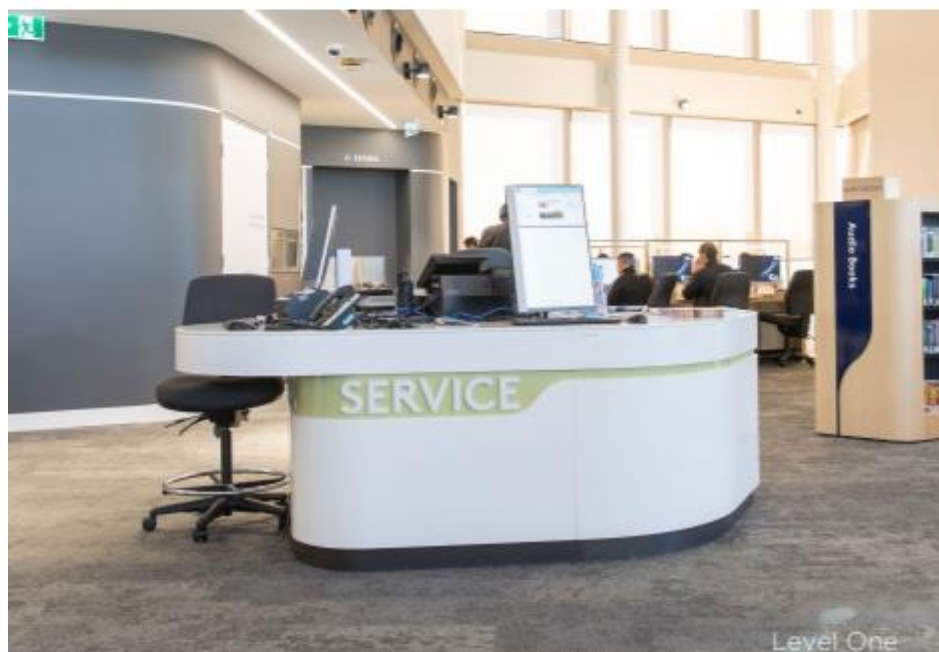

There is a Kids area inside the library.

There is a table, cushions, and nooks. These are quiet places to read a book, or lie down in.

When I find a book I want to take home, I take it to the Service Desk where a staff member will help me check it out (or borrow) the book.

I need to show my library card to borrow the book. I get to take the book home for four weeks then I bring it back to the library for other children to have a turn reading the book.

If I start to feel like I need a break, I can tell whomever I'm with and we can go to a nice quiet place.

I know I am always welcome at Bunjil Place and the staff are there to help me.

1. Arrive at the Gallery
2. Use Inside Voice/Walking Feet
3. Go to the Making Table
4. Go inside to have a look at the exhibition
5. Leave the Gallery
6. Good job!
