

RAINBOW BIRD PLAYGROUND

Experience a colourful chalk playscape filled with mini-games, hidden objects, and winding paths.

HOW TO PLAY

1. Begin at one of the four 'Start' markers.
2. Play the marker's mini-game. If it's too hard, skip it!
3. Pick a path and follow it to the next marker. Keep playing until you're done!

You can play alone or with friends. If someone is already on a marker, try another marker first. There is no right or wrong way of playing; you can even come up with your own games!
