City of
Casey

Thank you for enquiring about Bunjil Place...

City of Casey's vibrant new destination of choice for arts, entertainment, culture and connection in Melbourne's south east.

We are the first facility to bring together creativity, entertainment and community in a way that is unparalleled in Australia.

We offer a mix of facilities including an outdoor community plaza, theatre, multipurpose studio, function centre, library, gallery and customer service centre under our wings.

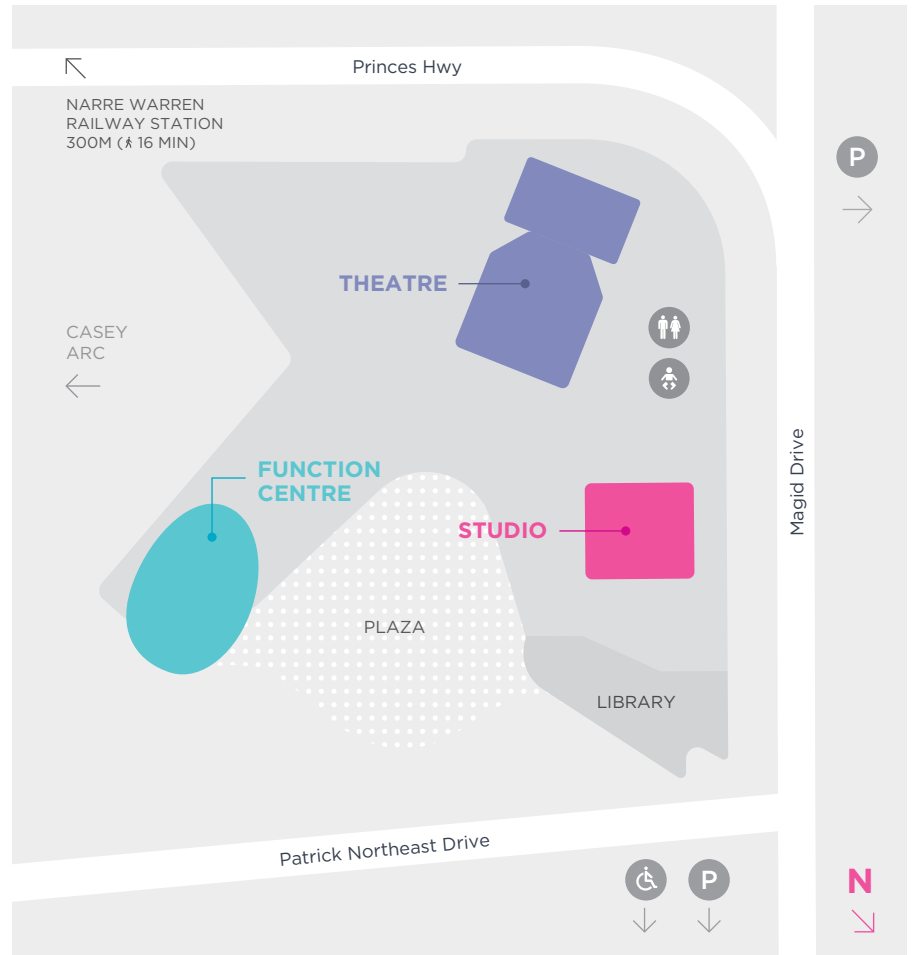

Located in a key metropolitan activity centre, Bunjil Place is close to existing recreational facilities with strong transport links, a thriving retail hub and appropriate parking options.

Our name and striking architectural design were inspired by stories of Bunjil (also known as 'Bundjil') the 'creator', from our First Nation's People. The iconic roof structure is designed to resemble the soaring eagles' wings with the intricate timber grid shell in the foyer acting as the legs.
