

THE VERY HUNGRY CATERPILLAR MEMORY GAME

How to Play (2 to 4) players: Ask a grown-up to help you cut along the dotted lines to separate the cards. Lay cards in rows, caterpillar-side up. Player 1 flips one card over, then chooses another card to flip.

If the pictures match, both cards go into Player 1's pile. If the cards don't match, they are turned back over. The next player does the same, until all the cards have been matched and added to players' piles. The winner is the player with the most matches.
